

Product Code . DS-AAM-10670

Smart Manometers

Description

Smart Manometers

Description:-

Measure gauge and differential pressure with these high-precision manometers. Auto-record up to 240 readings for future recall. The display can read out any of the eleven units of measure, and the differential model offer a square root flow function to display flow rate in user-defined units.

- User-selectable dampening rates
- Field recalibration
- Min/Max capture.
