

**Product Code . DS-AAM-10671**

## **Differential Pressure Manometer with Data Logging**

### **Description**

---

#### **Differential Pressure Manometer with Data Logging**

##### **Description:-**

The Differential Pressure Manometers with Data Loggers feature up to 10 types of pressure readings displayed on a large backlit LCD. Up to 99 readings can be manually stored. A SD memory card allows for continuous data logging, which is date- and time-stamped and can be easily exported to your PC as an Excel file for further analysis.

- Select from 10 different units of measure
- Easily analyze data with Min/Max recall function
- Store up to 99 readings manually
- Save battery life with auto power-off function.
