

Product Code . DS-HP-10678

Precalibrated Humidity and Temperature Indicators

Description

Precalibrated Humidity and Temperature Indicators

Description:-

The Thermohygrometer Indicators are designed to display temperature, humidity and time. Advanced features include °F/°C unit selection, min/max reading for temperature and humidity, environment comfort indicator, clock with alarm and date. The unique environment comfort indicator lets the user know how the level of humidity is affecting comfort, to high, low or ideal.

- Displays both temperature and humidity
- Unique environment comfort indicator
- Reliable measurements, guaranteed! Precalibrated to NIST-traceable standards.
