

**Product Code . DS-HP-10681**

## **Thermohygrometer with Alarm and Remote Probe**

### **Description**

---

#### **Thermohygrometer with Alarm and Remote Probe**

##### **Description:-**

Place the unique remote sensor inside a desiccator, refrigerator, drying or other environmental chamber to view temperature or RH measurements on the monitor outside. Features include selectable °C/°F display and memory clear. Toggle between temperature and RH displays with the press of a button. Monitor has built in stand, or can be wall mounted.

- Display shows current, maximum and minimum temperature or RH readings.
- Alarm sounds when user-selected temperature or RH parameters are exceeded.
