

Product Code . DS-HP-10686

Digital Thermohygrometer with Dew Point and Calibration

Description

Digital Thermohygrometer with Dew Point and Calibration

Description:-

The Meter warns you of environmental conditions that are out of a desired range with an audible alarm and bright red LED indicator. Features include a super-large, triple display for relative humidity, temperature, and dew point, min/max with reset function, and switchable °F/°C units.

- Monitors relative humidity, temperature, and dew point.
- Sound and light alarm activates when humidity level exceeds three presets.
