

Product Code . DS-HP-10710

Temperature Humidity Pen

Description

Temperature Humidity Pen

Description:-

Pen-Style Thermohygrometer instantly displays relative humidity and temperature of an enclosed environment on large LCD screen. Features includes °F/°C switch, min/max memory recall, and protective sensor rotating cap. Ideal for homeowners and HVAC/R contractors, the meter quickly monitors ventilation and indoor environmental conditions. It can also be used to monitor green-house environments to achieve optimal growing conditions. Clips into shirt pocket for easy handling. Powers off automatically after 20 minutes.
