## Beaker

### Description

---

Catalogue No. : "IDAC5234/01"

#### DESCRIPTION :-

- Capacity:100 ml
- Material: Polypropylene
- Color: clear
- Graduated
- Chemical resistance
- Have excellent clarity and very good chemical resistance.
- These autoclavable Beakers have prominently raised graduations on the outer surface.
- Pouring a solution becomes very convenient because of its tapered spout.
