

Product Code . DS-EE-11495

Inverter Starter/FDM

Description

Features :-

- High Reliability with DSP Sine Wave Technology.
- Load Sensing with Smart Control.
- Less Maintenance & Eco Friendly
- Display All parameters with LED Indications

Technical Data :

- Variable frequency drive inverter
- Power rating: 5.5 KW
- Rated current: 12A
- Capacity: 8KVA

Martinfield Business Centre, 108 Martinfield, Welwyn Garden City , United Kingdom
