

Product Code . DS-EE-11511

Battery Charger, Dual

Description

Catalogue No. : “IDAC102/01”

Features :-

- Self-resetting circuit breaker
- Spark-proof
- Opposite connection remind.
- Short circuit protection.
- Auto-power cut off after fully charge
- Overload Protection
- Over Heating Protection
- Reverse Polarity Protection

DESCRIPTION :-

- Input voltage A/C : 220V-240V
- Frequency: 50/60HZ
- Charging/Output voltage: 6V & 12V
- Rated current: 2.5A-6A
- Reference capacity (Ah):40-90

-
- Insulation class: H
 - Weight: Maximum 3.4 Kg
 - Packed by carton box
-
