

Product Code . DS-LE-11728

Anvil

Description

Catalogue No. : "IDAC177/0145"

FULLY POLISHED : -

This Iron Anvil has fully polished surface area, The flat surface has been ground to a great finish, and the rest of the anvil was dipped in a protective paint/enamel. It's a great tool for crafting small stuff like silversmithing.

PERFECT FOR FORGING WORK : Many of the perks to having this anvil has been better reliability without the lack of mobility.

MULTIFUNCTION :-

Rounded horn for smooth bending and shaping, Hardy hole for accessories, punching and bending. Clamped or bolted to the work bench to hold it still and it works just fine.
